

## 2026 JRMO Air Force Academy Facility Access Registration Link

**VERY IMPORTANT: We have received the Air Force Academy Facility Access Registration link for our event in January.**

For those of you who attended our meet last year, you are familiar with the additional registration requirement to access the Air Force Academy facility. FYI - The registration process and approval text message are slightly different this year.

If you did not attend our meet in 2025, please read this information carefully.

Below is the base access link for registration that will need to be completed to enter USAFA prior to our event. We highly encourage everyone planning to attend either the Jr. Rocky Mountain Open or the Rocky Mountain Open college meet to complete this link well before the event dates. Typically, it takes 24-48 hours to receive the approval message back but as we get closer and registration increases, the response time may be longer.

Once your registration is approved, you will receive an approval text message that you will need to keep track of. **You will need to show this text message, along with your driver's license, each time you enter the Air Force Academy Facility at the North Gate.**

Please note that this registration will ask you for your full name, social security number, driver's license number, and gender.

### **Who must complete this registration:**

- Everyone 18 years of age and older
  - **This applies to coaches, judges, athletes, and spectators**
  - \*\*If mom and dad are in the car, both parents must complete the link, not just the driver\*\*
  - Must have a REAL ID
  - Must be a US Citizen

**Those who do not need to complete:**

- Anyone under the age of 18
- Military ID or DoD ID Holders
- Students should have their Student ID along with their Driver's License if under 18 and driving themselves to the AFA facility

**Those who do not have a REAL ID or are not a US Citizen will need to visit the PRO (Pass and Registration Office) outside the South Gate entrance to get a paper pass.**

- PRO Office hours are 7:30 am to 3:30 pm daily
- Plan ahead if you will need to utilize this option since the office closes at 3:30 pm each day

The PRO is located outside the South Gate entrance for the Academy, which can be reached by exiting I25 at Exit 150 for N Academy Boulevard. It looks like the address is 8486 S Gate Blvd, Air Force Academy, CO 80840. PRO hours are 7:30 am to 3:30 pm daily.

These people should bring their identification (passport, non-RealID driver's license, etc.) with them for processing. Our understanding is they will only need to do this once as their paper pass should cover the whole weekend of the gymnastics meet.
