

We are excited to see you all this coming February. I will have the schedule for Winterfest in the upcoming few days. We are thrilled to be hosting over 1600 gymnasts this year. Each competitor will be given a ticket to the University of Denver College Meet on Saturday evening, February 14th, 2026 where the Denver Pioneers will be hosting the University of Arizona Wildcats. Additionally, each club will receive 2 tickets for coaches to attend. I usually have extra tickets for coaches, so if you need a few, please let me know, and I can provide them to you at the meet site

The University has set aside seats in the arena for parents to purchase tickets near their child. In the upcoming weeks, we will be emailing the clubs these tickets. The clubs will then need to forward the tickets on to the families of the gymnasts. All the tickets are electronic so they will need to be transferred to your gymnasts. I will be sending a list of the sections and rows that your team will be sitting in. The University will also have this list; however, it would be best to forward the information to the parents so that they are assured of purchasing tickets near their child.

The hotel links with discounted rates are posted on the website. The address is WWW.DENVERWINTERFESTCLASSIC.COM

I will also be forwarding information about parking, specific lots, and entry into the facility. There is a clear bag policy in effect for spectators. The gymnasts and coaches are allowed to bring their backpacks and belongings, however guests must have a clear bag to enter. On the evening of the college meet, **EVERYONE WILL NEED A CLEAR BAG!**
