

Regional Info from the state

Good morning New Mexico Clubs,

Can you please forward this message to your families for details about the regional championships. Kim will also be posting this information on the Regional website.

Rosters

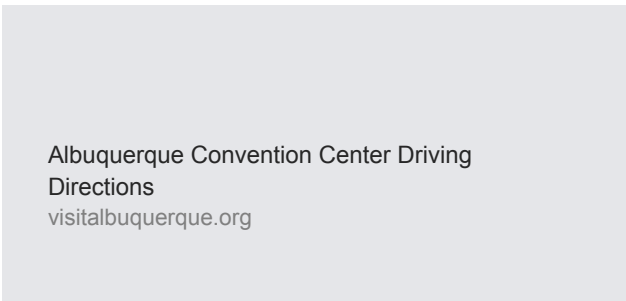

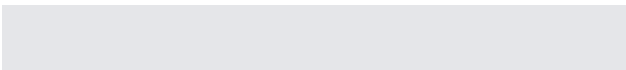

Attached are the rosters for the L7/8 & L6 All Star regional competition. Please check your roster for accuracy. Also, please check your coaches roster through the USA Gymnastics website and make sure ALL coaches that will be in attendance are on the roster for the competition. If you have any changes that need to be made to your roster, or for coaches, please email those changes directly to NewMexicoSACC@gmail.com.

Rotation Schedules 4.9.24

Here are the rotation schedules for the Regional competition. We have done our best to make sure that gyms with multiple athletes in both side of the gym are in the same flight on opposite events to hopefully help the flow of the competition. The event is held in one large exhibition hall, so if you have athletes on both sides, you will not have to walk to a completely other side of the facility. Please make sure that your coaches are familiar with the competition order and how they must compete in order as placed by the random draw on the rotation schedule.

Parking

Below is a link to a detailed website for the parking at the Albuquerque Convention Center. There are NO in and out privileges during the day. The cost will be \$10 per car.

Leotard pick up will be located on the second floor, directly above the exhibition hall at the Albuquerque Convention Center. We will have ALL levels leotards in ONE bag per club. Please send a coach to sign out and pick up all leotards starting Friday, April 19th at 7:30am. All leotard sizes were ordered by your own individual clubs, so if there are any sizing issues, please contact YOUR club or State. We will NOT have extra sizes for exchange.

We will see you all shortly in Albuquerque!!
